

**CONNECTIONS  
AREA AGENCY ON AGING  
3RD ANNUAL**

## Secret Santa for Seniors

*Connections invites you to help make the holidays a little brighter for some seniors who might not otherwise receive gifts this holiday season*

You will be matched with a senior to adopt and we will share their wish list.

To keep our seniors and staff safe during the current pandemic, we are requesting gift cards that have been identified by the senior to be purchased this year. If seniors request items other than gift cards, we will use the provided cards to purchase items to be delivered.

We are requesting gift cards be dropped off or mailed to one of our office locations by December 2, 2021

If you are interested please contact
